

**Hi!**

**I am not sure if you all know...but I am in the middle of qualifying for a really big Mary Kay goal! There is a level of distinction called Sales Director and I am right on the brink of making it happen... I truly am so close and yet so far. Only 2% of the Mary Kay Beauty Consultants reach this position. As you can probably guess this is both an exhilarating and nervous time for me. I am really excited about this new venture, but I really need your help.**

**Here's the scoop. If you feel that you could support me in this challenge, here might be some great ways:**

- Meet with me for your free facial and makeover by \_\_\_\_\_... every face counts!**
- If you ever thought about needing extra income. Perhaps getting some information from me... every interview counts!**
- Treating yourself to something special... every order counts!**

**Thank you so much for thinking of me and helping me and for all of your best wishes!... It means more to me as a new business woman than you will ever know.**
